

Wreaths across America is a non-profit organization which honors Veterans at wreath laying ceremonies held simultaneously across the country on the second Saturday in December. In 2015, over 800,000 volunteers placed wreaths on over 900,000 Veterans graves in over 1,100 locations. The American Legion Family at Post 40 is partnering with **Wreaths across America** to bring this event to Beaver Hill, Vine Oak and Providence Cemeteries. This is a free, community-wide event all are invited to attend. Our goal continues to be to honor all of our Veterans!
